

Dear Prof. Loreto Lonsame Jr.,

Good day.

I would like to respectfully apologize for not being able to attend my class from **9:00 AM to 10:30 AM. I was delayed because my allowance was sent late by my mother, and I had to wait for it to be received before I could proceed.**

I understand the importance of attending class on time, and I sincerely apologize for any inconvenience my absence may have caused. I will make sure to catch up on any lessons or activities I have missed.

Thank you for your kind consideration.

Respectfully,
Joshua De Guzman
